GLOBAL FURNITURE USA OPENING NEW SHOWROOM IN HIGH POINT

HIGH POINT, N.C. (September 28, 2011) – Global Furniture USA is opening a new 25,000 square foot showroom in Furniture Plaza #615 in time for the October High Point Market. The company previously showed in their own building on W. Commerce Avenue. Global Furniture is an importer and distributor of contemporary bedroom, dining, entertainment, leather, and occasional furnishings. They serve a customer base of more than 2000 retailers throughout the United States.

When asked what prompted their move, Alex Vaysman, president of Global Furniture USA said, “as we grew as a company and expanded our product line, we outgrew our showroom. Furniture Plaza is a natural fit for us because our customers are already shopping this complex, so it easy for them to see us here.”

Global will be introducing an entirely new product line called Main Street by Global, which will feature over 40 new upholstery groups and 14 new bedrooms. They will also add 15 new upholstery groups and 6 new bedrooms to their existing Global line.

“We are thrilled to have Global Furniture back in our complex,” said Steve Johnson, assistant general manager for Market Square AC Management. “They outgrew their space in Plaza Suites and moved into a larger building in town, but now are back with us in a much larger space that fits their current needs. It’s amazing to see the growth this company has experienced over the last six years.”
